

South Carolina Certified Public Manager[®]

2020 Credential Recipients

Congratulations to the 2020 graduates of the Certified Public Manager[®] program!

These individuals have successfully completed a rigorous program requiring 300 hours of coursework and learning assignments, two group projects, passage of a written examination, and completion of a project related to their agencies.

With the knowledge and skills they have acquired and strengthened during this 18-month program, these graduates are well-poised to shape the future of government in South Carolina for many years to come.

We are pleased to name the following individuals Certified Public Managers[®].
